## RICAMBI, MANUTENZIONE MACCHINE E CONSUMABILI

Multigel offre l'assistenza, la vendita di accessori e cambi formato e ricambi anche per macchine non più in produzione come le opercolatrici MC 50, MS 3 N e V 10, le linee automatiche SAV 1, SAV 2, RFL, RFP e le macchine per supposte. E' inoltre possibile realizzare, dietro richiesta e fuori catalogo, le seguenti macchine: MC 50; MC 100+100; MS 3 N

Grazie alla partnership con alcune importanti aziende del packaging farmaceutico possiamo fornire: Blister preformati con/senza foglio di alluminio presaldato; Bobine di film termosaldabili per packaging in bustine; Contenitori in vetro/plastica per packaging farmaceutico con varie tipologie di allestimenti; Astucci stampati o anonimi

## SPARE PARTS, SERVICE AND CONSUMABLES

Multigel sells and provides assistance and maintenance also for accessories, spare parts and various-sizes components fitted for machines that are now out of production, such as filling machines MC 50, MS 3 N e V 10, automatic lines SAV 1, SAV 2, RFL, RFP and machines for suppositories. It is also possible to order, upon request and out of catalogue, the following machines: MC 50; MC 100+100; MS 3 N

Thanks to our partnership with some important companies in the pharmaceutical packaging sector, the following products are also available: preformed blisters with/without pre-attached aluminum foil lidding; film reels for heat-sealed sachet packaging; glass/plastic containers for pharmaceutical packaging; blank or printed cartons
